

Donate to the Niwot Sanitation District Financial Assistance Fund

In February 2010, the Niwot Sanitation District established a fund to offer financial assistance to homeowners experiencing financial difficulty. By law, this program must be funded through donations from customers. Because residents who donated to this program have moved out of the district, the available funds to assist homeowners are dwindling.

Donation Options

The District is asking you to consider donating through one or more of the following options to assist your neighbors:

1. Donating \$2.00 per billing cycle
2. Making a one-time donation
3. Donating a different amount per billing cycle

Program Details

The District uses standard federal poverty guidelines, updated annually, to determine eligibility for this assistance program. The amount each eligible household may receive will depend on the amount of money donated and the number of applicants. Any help you can provide in funding this program will be greatly appreciated.

Contribution Form

If you are currently donating to this program, thank you!

If you are willing to assist with the program, please complete the form below and return it with your bill. Please consult with your tax adviser regarding your ability to deduct this voluntary contribution from your taxes.
